CSSP, EOP, & SAFETY PLANS

Our Safety Plan Team stays updated on current laws and regulations related to Comprehensive School Safety Plan (CSSP), Safety Plans, and Emergency Operations Plan (EOP) content and school safety.

KNOWLEDGE
SAVES LIVES, INC.

EXPERIENCED INSTRUCTORS

Our team will collaborate with your experience as an educator to prepare a safety plan that provides up-to-date required information, best practices in dealing with various emergency situations, and instructions to maintain school safety as you maneuver through a wide range of incidents on campus.

TARGETED CURRICULUM

Your fully compliant CSSP, EOP or Safety Plan will be specific to your school, your school district, your city, and your county.

WHAT TO EXCEPT

We will provide a living document that is easy to access and easy to edit. We will also provide a redacted version so you can safely provide the plan to the public without disclosing critical information.
