SCHOOL LOCKDOWN TRAINING

To ensure the safety of your students and staff, you must know the ins and outs of your workplace. We want to ensure you know the right procedures in case of a lockdown or evacuation.

EXPERIENCED INSTRUCTORS

Our instructor teams, made up of subject matter experts, have provided this program across the State to hundreds of California schools.

TARGETED CURRICULUM

We provide training on evacuation and lockdown best practices, conduct walk-through scenarios, and overall improve situational awareness.

WHAT TO EXPECT

After going through our program, you and your staff will leave feeling motivated, empowered, and inspired.
