RISK ASSESSMENT REPORT & SECRET SHOPPER FOOTAGE

SUBJECT MATTER EXPERTS

Our risk control team is comprised of retired law enforcement and fire experts. Our staff has provided resources and training to insurance companies, businesses, government entities, and hundreds of school districts.

COST EFFICIENT SOLUTIONS

We provide a detailed report, show body camera video footage of our customer/visitor experience, and present to leadership. This includes no cost and low cost recommendations for identified risks.

COMPLIANCE MATTERS

Our team will provide detailed information to ensure your organization stays compliant with state mandates such as SB 10, SB 671 (schools only), SB 553, Title 8 CCR 3203, and other regulations.

The need for safe schools and workplaces has become more imperative than ever. We want to help educate, prepare, and mitigate current risks, while keeping your organization compliant with CA SB 553.
