Who We Are

Established in 2010, Knowledge Saves Lives, Inc. has proudly served insurance companies, public and private schools, community colleges and universities, small and large businesses, churches, healthcare organizations, and City, County, State and Federal agencies for over 12 years. Our services include site specific emergency preparedness training, customized security risk assessments, UAV (drone) camera mapping, wildfire prevention and mitigation projects, The SB390 Campus Security Officer Program and subject matter expert consulting.

Our mission is to provide proper emergency preparedness where it is needed most. Our clients depend on us to be the tip of the spear as it relates to risk mitigation and training and we also sell our own safety product (Step1 Device).

Our organization is made up of more than two dozen emergency response professionals, including current and retired law enforcement officers, firefighters, correctional officers, and military veterans. Together, we possess more than 750 combined years of first responder experience we share with our clients to assess and mitigate many risks. We also have a strong administrative staff that pulls from backgrounds in business administration, finance, and accounting. When you rely on us for safety training, services, or support, trust that you're learning from the experts.

We take pride in offering our employees a flexible work environment to encourage healthy work/life balance. When you come to work for Knowledge Saves Lives, Inc. you are a part of a team that takes care of each other. We offer health benefits and a retirement option to all full-time employees.

Knowledge Saves Lives, Inc. is an Equal Opportunity Employer (EOE). We invite all qualified applicants to apply and do not discriminate against individuals because of their race, color, religion, national origin, gender, physical or mental disability, veteran status, or age.
